“ Dear Les, Roger and family, Your mom led an exemplary life. She raised two wonderful sons and was a vital part of her family and community for so many years. She has lived such a long life that most of her peers are gone, but the impact she had on so many lives goes on and on. I love you all and I will miss seeing that sweet smile and the conversations we were able to have during her last year. Live well and love well in her memory. You will never be forgotten Marianne. With all my love and sympathy, Debra Cannon Taylor

A friend for many years. We worked together at Jostens for 20 years, went to church, socialized and visited for many years after that. She was friend that will be missed.
