“ mama, I will never forget our 4 a.m. coffee on the porch in the cold. me under a blanket and you in your favorite sweater rocking in the rocking chair. after coffee and talking on the porch we would make our daily 5 a.m. breakfast run to McDonald's. even after I came back to colorado, we would text each other to see if the other one was awake and sure enough the other would be. we'd have coffee together while talking on the phone and we would even drive to McDonald's and eat together on the phone. i will always cherish those memories and though we had our ups and downs we got through them and I am thankful. I miss you everyday. my heart is broken and I am sadden by my loss. I will always love you for now you are my angel....

“ *Mary, Mary, Mary - Words are not enough to express how much we Loved Our "Best Friend Mary", if we could describe her it would be; strong, caring, lovable and a very determined woman and above all, if you said she can't do something, she would make a way out of no way. There will never be another like her, God threw away the mold after he created her. Sleep on Mary some day we will walk with you again - Much Love to her only baby and her Family.
