“ *I am so sorry about Mary Lou's passing. I work at Cook's home office and spoke with her on the phone on many occasions. She was always happy and upbeat. When I was able to see her during our Office Specialist luncheons she was always smiling. She will be missed by her Cook's family.*

*Mary Lou and I went to Flat Creek elementary school together and were members of the Shelbyville Central High School class of 67. We would see each other occasionally usually at a store and stop and chat. She was always a sweet lady. My sympathy to her family. May she Rest In Peace.*
