“ My sympathy to the Finley family upon the passing of Michael Finley.

I first knew Michael when he and I were in college at David Lipscomb University in Nashville. He was known for his good looks and brilliant mind. He was a good friend to my brother-in-law and performed the wedding ceremony of my sister and brother-in-law. Once he ate Thanksgiving with us in my home. I remember seeing him on multiple occasions. He came to my mother's 99 birthday party. His obit mentions he wrote poetry. He gave me a book of his poems that he had published. I was in his home on his farm. I have a picture of him with my Mother on his John Deer "tractor". May God give comfort to his family.
