“ I worked at the nursing home. I was one of his caregivers. He was a LIGHT in everyone’s eyes. He was nothing but pure. I left there a couple years ago, and I still think of Keith to this day. He always had a bright smile on and was so tough. Mr. Jacobs will forever be missed. Thank you for giving me the opportunity to get to know him.

“ I was the director of social services at Glen Oaks for some of the time he was there. He was such a sweetheart. He would always hold my hand when I talked to him and sometimes would even kiss it. He also loved to come to my office and get candy. I am so sorry for your loss, and I remember how much you loved him.

“ To The Jacobs Family,
So sorry to hear about Keith's(Bulldog's) death. He was in the room with our Dad at Glen Oaks a few years ago. We thought a lot of him, and would share desserts with him. Find comfort knowing, he is now whole in a place of much joy, youth and good health.
