“*Mrs. Burns hired me as an administrative assistant for the Chattanooga Secret Service office in 1976. She was a dedicated employee with a great work ethic and she inspired those around her to be the same. I can honestly say that she influenced me to be a better worker. I retired from the Department of Veterans Affairs in 2017 with a combined total of 42 years of federal service and can honestly say she influenced me. Thank you "Miss Burns".*

“*As I am thinking of you, Chuck, during this sad time, my thoughts go back to the many times I heard you speak of your mother and how I was always impressed by the sparkle in your eyes, the grin on your face and the joy in your voice. I know you will miss her greatly and even though Mrs. Burns and I never met, I know she was your beloved mother. My sincere condolences to you, Anna, and your entire family. --Ginger*

“ *Kathy and Chuck, I'm so sorry for your loss. As a high school friend of Kathy's, I so appreciated always feeling welcome in the Burns home. "Mrs. Burns" was a strong, gentle, loving presence...and so "cool" in her navy blue Mustang! She was an amazing woman.*
