“ I came to Shelbyville Central High school to teach Marketing two years after Mrs. Price retired. During college, I heard of Mama DECA. She was a great help the first year of my teaching, if I had any questions about DECA she was there to lend a hand. She had a great influence on a number of students and future teacher.

“ *Mrs. Price was such a wonderful lady. I was a member of her first DECA class and was a member of the SCHS class of '67. She was and always will be my favorite teacher. She was such an inspiration to so very many and her wisdom and kindness will be forever missed. Love, thoughts and prayers to all her family.*
