“ This is a very sad time for all of us who knew and loved Nicky. I loved seeing her during the games at the Rec Center as well as out and about town. She had such a beautiful smile that always warmed my heart. We always joked and talked about the games, etc. She will be truly missed!

When I found out, my heart just skipped a beat... there are no words to tell you all how sorry I am about this.

Debbie and Family please be strong and know that whatever you need from any of us , we will gladly be there for you all. God bless you all always!!

*Love you,
