“ *Words cannot express the sorrow that I feel over the loss of my aunt Niellen. She was one of the sweetest, kindest, and lovable people that I know. She was one of a few people left that called me by nickname of baby Lisa. I'm going to miss her saying that. She is in the arms of our Lord and Savior right now, and that gives me some comfort. She is no longer with us, but her memories will live on. We will meet again auntie!*

“ She helped me raise my babies. They loved her like their own granny. It hurts my heart to know we are gonna have to walk this life with out her, but God is good and he has brought her to her eternal home never to hurt again...
