“ Dearest Marie, My hearts and prayers go out to you and your family at this time. I recall some good visits with the two of you. I so enjoyed his stories and humor.  
I use your wonderful set of children s stories often; and, remember the love you have for all children.  
Please know there is a star shining brighter in the sky as you gaze into the heavens from your wonderful farm. Omar and your life are an inspiration to many.  
May you experience love and grace as you all share memories.  
Blessings,
