“ I dreamed about you the other night. So I went on Facebook to see what's going on in your world. I found that you had passed. Then I found a message from you a month prior to your passing. I'm sorry that we didn't talk more. And discuss our disagreement. It was on me. I'm so very sorry about your grandson. I can still hear you calling him "Little Man." I know you're up above looking out for him. Fly high with the angels! You are loved and missed.

I can remember when I was younger. I didn't want to go to Ohio with my dad and my stepmother. Pam and Joel let me spend the week with them. I had fun I had the mind but I Had fun now Pam's up there with the rest of the family that passed before they're all sitting around drinking either PB R. Or coffee big watching download all of us? I didn't keep in touch with them. It adds nothing to do with if I liked her or not because I did I appreciate it and respected her. I just hope bam you rest in please we got your back

Oh goodness, I had no idea. I worked with Pam at Jackson for years. Just noticed it was her birthday today and figured I would reach out only to find out she passed just recently. So sorry to hear this. Pam was a fabulous woman with a firecracker personality that was awesome! RIP Pam.
