“ *I met Pat when I was trying to see who the owner was of a puppy that ended in our yard. We sat and talked for probably an hour and a half laughing most of the time. He made me feel welcomed to the neighborhood and worked his magic on some Stihl equipment for us. Even when he was not feeling the best he always had that amazing smile on his face that made everyone around him smile. God has gained an amazing Angel. Kim and family, my thoughts and prayers are with you all during this time of transition. May peace help you knowing that Pat is not longer suffering here on Earth and that he will always be watching over you all and always with you all in your hearts.*

“ I only had the honor of meeting this very fine gentleman once. But oh what a tremendous blessing it was! He had a nonstop smile and a contagious laugh. His attitude towards life was amazing amidst his circumstances. He was incredibly grateful for what most people take for granted. I will forever cherish this sweet, precious memory of Pat!

“ Remembering searching the woods for a home site in Byhalia, MS. David asking to carry and carrying my machete. Moving to Cincinnati, then years later back to Tennessee. Pat’s unforgettable laugh. His humility. Your dauntless faith, Kim. May God rest Pat’s soul and give you all peace.
