“ Dear Dennis Family,
I have been trying to reach our "Pizza Guy" who we have had come cook for us for years at Cedar Hall School at our field days. I couldn't understand why he wasn't returning my texts/calls. I was stunned to find his obituary when I researched his name. What a loss for EVERYONE who knew Mr Patt! He made the kids laugh and always seemd to LOVE life, people and, I felt behind all that was a love for, His Creator.
It is now a year and a half since his death and I am just now finding out that this GOOD man has inished his run.
Our hearts go out to you and all your family. He will be missed; he certainly made an impression on all he met.

“ My name is Chico and I have something to share.

I had the honor of meeting and knowing Patt for a brief, but very important and meaningful time.

I have known and met a lot of people in my life. Atheist, sinners, heathens, Christians, ... and the such. Very few times have I ever met a true servant of the Lord. When I met Patt, it was at the Crossings Worship. I was still in a struggle and needed help, but wasn't willing to ask for it. The first contact I had with him was being surrounded by him and a couple of other guys from the church. He said he felt I needed help and said he was gonna pray for me. My thought was to tell him that he didn't know me, and I didn't want his prayers, but before I could say anything he laid hands on me and prayed...

I realized later that he hadn't just pointed me in the direction of the Lord,

but rather grabbed me, shook me, turned me around, and kicked my butt "IN THE DIRECTION" of the Lord. I will always be grateful for his type of stubbornness, and determination to help.

He was a true servant of God.

He showed it in his actions.

He showed it in his words.

He showed it in his service.

He showed it in his love for others.

I don't call too many people Friend.

Patt Dennis was a friend and a brother to me.

I'm always gonna remember him

I'm always gonna love him.

I'm always gonna miss him.

I'm just Chico.
