“ Wouldn't have gotten through school without her. We would meet after school at a fast food place and discuss life. I was one of the older students going through a divorce. We would never talk about class or tests. We talked about family & life. I was from California & she was from NY. She felt somewhat out of place here, as I did. We had a kinship. I bought her a piece of her favorite pottery at an antique store & surprised her. Just to show how grateful I was for her friendship. Thank you, Paulette. You changed my life with your care & kindness. Always in my heart.....Barbara Frye Perkins

“ Mrs. Chuvala was unapologetic about her love and care for people. She loved her family and treated her students as family. She held her students to high standards and did not tolerate anything less than your absolute best. Her knowledge in her craft was unparalleled. She has left an indelible mark on my heart.

“ A wonderful nursing instructor who has helped develop hundreds of great nurses. She will always be my motivation to be the best nurse I can be everyday. Her legacy lives on today, tomorrow, and forever as her students continue to mentor other new nurses. What a legacy.

“ Hi. I just now found out that Mrs. Chuvala passed away. I was a nursing student of hers during the 2003/2004 school year. I was 39 and also became pregnant for the first time!! Mrs. Chuvala was, without a doubt, one of THE BEST teachers I have ever had. She was funny, kind, compassionate, smart, loving, knowledgeable. I loved her. I am so sorry for your loss. She made a difference in the lives of so many. Sincerely, Terri Fuller

“ *Sadly we never had the chance to meet Paulette in person but feel a kinship with her after getting to know her through her amazing ancestral story . It was clear through Stacy's love for her Mom and her heritage that she was a very special lady. Paulette was also very loving to our daughter as well. Our deepest and most heartfelt sympathy to Paulette's husband and family. Our love and prayers are with you during this very difficult time.*

I can't believe that Paulette is gone. I am so sorry for Ray and the children. Paulette was a wonderful friend. We had so much fun with her and Ray at the VW Club of North Jersey. We went camping together and we were with her when the home Ray and Paulette built on was sold. We truly missed them when they moved to Tennessee. We have so many great memories of Paulette. We will keep your family in our prayers. Bill & Ginette D'Arcy

I will miss Paulette. My dad introduced her and Ray and they all went to the prom together many years ago. She was the final connection I had to my dad after he died. My mother Rae Ellen Schmidt Was her best friend from grammar school. I remember stories of them skipping mass and my grandfather finding him in the diner on Sunday having breakfast together. She was a genuine soul and someone who was so giving. I will miss my favorite Jersey Girl. She will always be in our hearts. She was one of the last people from my childhood who called me Dory. We will miss her. Brian and Doreen Fritzsche
