“ *This one hurts my soul. But I find so much peace in knowing that I was able to say goodbye to you, that I don't have one bad memory, but rather memories of a lifetime filled with love, fun, competitiveness, and adventure with you, my sweet godmother. I cherish the many memories that I share with you and all of our family. I made it a point to give you your roses while you were alive. That gives me peace. Thank you for loving me, for choosing me, for the lifetime commitment we mutually shared. I love you. I'm going to miss you so much.*
