“ Peggy Jo was my mother's niece, but mom always said they were more like sisters and she loved Peggy Jo dearly. The Adcocks would all meet up at my grandparents when I was a child, and I always looked forward to playing with Barbara, Patricia, Jerry, and Keith. But, what I remember about Peggy Jo was how kind she always was and how when she smiled you saw it as much in her eyes as you did her mouth. I haven't seen her in a long time, but I'll always remember her and those get togethers when we "youngin's" we're growing up. Sam Brown
