“ To the whole family,

I'm sending all of my thoughts and prayers to all of you. Gail always had a very good way that she would talk and carry on with people that she had just met or someone she had known all her life. I know when I first met her through Donnie and June she welcomed me into her and Jimmy's home like she had known me for years. So to a very nice lady that will be greatly missed by everybody that knew her Rest In Peace Gail and go to your heavenly home and see all of your family that is waiting with open arms. God bless you my friend.

“ To the Family:

I'm truly sorry for her passing. She was my inspector for the last two years and she spent most of her day at our plant. I can't say enough kind things about her. I know she'll be missed by all but never forgotten. Her kindness, her smile, and her sense of humor will be what I remember most about Gail. She would love to talk about her kids and grandkids and tell me what she made for dinner. She was a special Lady!
