“ To The Holton Family,

So sorry to hear about Ricky. I always enjoyed talking to him while shopping at Piggly Wiggly. When I asked him how he was doing, he always said he was doing ok for an old man. He was generous and gave us jars of molasses from time to time. I will surely miss him when I go grocery shopping. Find comfort knowing he is in paradise, a place of joy, good health and youth.

Love, Donna Cartwright
