“ *My condolences to my sweet family, Chuck and Betty Ann and all their family. I have many joyful memories of laughing and cutting up with Aunt Rosalee and my cousins. Her home was always a special destination when my family travelled from Oklahoma or wherever I lived at the time to gather for Thanksgiving or Christmas. Aunt Rosalee and Uncle Tommy sent us special Barbie and Ken toys when we we kids growing up in Texas and never let go of loving our family back to our special Tennessee times together. I was blessed and encouraged by the strong and faithful woman I saw in my Aunt. She was a professional woman and a family maker. She enjoyed her family and I always felt included in that spirit of love she showed for all the children she mothered.*
May our God's love and Peace be with you Rosalee now in heaven. God bless your family at this time of missing you. When we all get to heaven we'll sing and laugh together again.

“ *Dear Betty Ann & family, Your mom was a kind gem! She was the best secretary anyone could have wanted. I remember how she enthusiastically welcomed me to Shelbyville. In fact, she and your dad introduced me to the Horse Show. May God hold you in the palm of His hand and bring you peace. Much love, Sheila Marquart*
