“ To Janice & family

We are so sorry about the sickness and death of Rose. She was such a sweet lady and loved by many. Now, she is in paradise with George, her parents, siblings and all who have gone on before her. We hope you find comfort knowing she now has good health. It is a difficult time to give up our parents, but something we all must endure, and you know already after the death of your Dad. There will be sad times and lonesome times, but try to remember the good memories you had with your Mom. We have all been friends a very long time. We also feel a loss, but one thing for sure, our loss is Heaven's gain. We love you! Donna & Teddy Bear
