There was a sincere love for each other, he was like another father to me. I will forever continue to ❤️ him and every member of their family.

I send my sincere condolences & prayers to his family during this time of bereavement. His presence will be missed.

“ I remember Tangle whom I called Tango by mistake for years. When I saw him and Ms. Bertie Ruth out, they seem to know everyone in Bedford county. People would stop and want to talk to them. I'll never forget his broad smile.
Mr. Buckingham can never be forgotten as his children carry a piece of him with them.
Wayne has his looks.
Vickie had his leadership.
Anita has his sweet spirit.
Gloria has his hard work ethics.
Ralph has his firmness when needed.
Frank has his humbleness.
Ellen has his fun spirit.
His children can smile as they know they had fine Christian man as their Dad who loved them each dearly.

Roy Frank worked for me at General Felt Industries for many years. We had some great times together. His brother Emmitt also worked there, but not directly for me. Ronnie also worked there for a while. That is how I got to know Vicki. My wife Ann worked with Vicki at First Community for several years until her retirement. Love the Buckingham family. Roy Frank you will be missed.
