“ Sandra will be missed by all who love her. She was one of the kindest persons I have ever known. I am so thankful for the times we were able to be with her when we stopped on our yearly trips to Florida. She always had dinner prepared for us and insisted that we could not even help with the dishes. Sometimes on our stays we had enough time for Sandra to take us to local attractions like the antique shops, out to eat, or even to a really great yard sale. We always had a great time with Sandra and my aunt Catherine. No one could have cared more for their mother than Sandra did, and I know how she loved her children, grandchildren, her brother, and her little dog Frances. Her family will be in our prayers.

“ When I was only 5yrs. old, Sandra asked me to be the cheer leading maskot for her cheer squad when she was in high school. She made me feel so very special. I will never forget her kindness shown to me. Rest in peace my friend. Love Deborrah Calhoun
