“ Shelia and myself worked together for 25 years or more for Headstart. She worked so well with children and never met a stranger. As a mother she was the Best. Her kid's meant the world to her, and Leland. Now she's with Garan and all of her family that's gone on before her. She was always so good to me, and we had so much fun at PCC and Headstart. You'll be sadly missed my friend. Till we meet again!

“ I have known Shelia since her birth. My mother and her mother were very good friends and expecting babies within similar time frames. My sister was born less than 2 months after Shelia. They became great friends, just like their mothers. Ora Lee was like an aunt to us; so, Shelia was like a first cousin to my siblings and me. We will miss her beautiful smile and her loving personality. I am praying for your comfort and peace during this most difficult time. She will be sorely missed.

“ It was an honor to met Shelia in 2011. She had a heart of gold and would give a stranger the shirt off her back. She was dedicated to the head start program for many years and I know she will be missed by staff and the children. Praying for comfort for Malik and Shay during this time. - Jessica Ensey
