“ *My Mother and Father and myself thought the world of Ms. Stella. I didn't know her as well as my parents, but Dad and I were devastated by the news of her passing. My Mom passed in 2019, and she loved Ms. Stella like a sister. She often talked about her and always it was about how kind she was and Mother always was a little happier for the rest of the day. Ms. Stella was like that. Always making you feel better no matter what was going on in your life. My father and I will miss her. I know God will keep his hand on her family to help them through this time of sorrow and grieving. I will pray for them to be comforted and know as hard as it is to be without her, she is with God, and they will be with her again.*

Thank you Ms. Stierwalt and your father for these caring words about our mother, Stella Tune. I can say that my mother looked forward to Mondays and Tuesdays as that was her work day and knowing that she would meet caring individuals such as you and your father. Again, thank you for your caring and comforting words. God bless
