“ Terri and I are cousins. We met years ago when we were really young girls on her family’s visit to California. We had a lot of fun! She was so sweet and funny! We met again years later on FB and although we hadn’t seen each other again in person, we still had a bond and I loved getting to see her, her kids, grandbabies and all of her life’s experiences and joys! I feel so blessed that we were able to reconnect. She was a very special lady and loved her family immensely. I will miss her ❤️

“ I met Terri 10.5 years ago when she took my mom's dog, Molly, in when we decided to rehome her when my son was born. She was the most beautiful soul; kind, friendly, and so loving! Little did I know then that she would, by small coincidence, one day become my brother's mother-in-law and the grandmother of my two nephews, Bear and Coyote. I cannot say enough good things about Terri. She loved fiercely and without fault. She opened her home to anybody whom she loved and so many people called her Mrs. T or Mama T! She was taken much too young, but oh the legacy she leaves. This family is so dear to me. I know Terri is already watching over Reagan, Ashley, Bear, Coyote, and the rest of her precious family. I love you all!!!

*P.S.- Camden said to share these pictures for Mrs. T!*
