“*My heart is so broken for the family. True love shown through Mr. Wayne and Mrs. Ann! I was welcomed in as one of their own in my 8th grade year of school! Judy and I were inseparable. Best of friends for sure! Her daddy was amazing! Always happy and funny! You can bet he would put a smile on your face no matter what! He loved his family and everyone around him! I'm grateful for the memories with this family and praying for you all during this time. Knowing we will see our loved ones again helps, but we still need time to process and heal. I love each one of you. I'm so sorry for the loss of such a wonderful man. Heaven gained a great one for sure. Hugs and love to you all.*
