Thank each and everyone for sending flowers, mailing cards, prayers and comments on FB and especially showing up at the service. He really loved his big work family. No matter where it was at. He lived a full hard life and fought his sickness for many years. But always pulled thru and back to work he'd go. Couldn't keep a good man down. I really do appreciate all of you. Tom's in peace now. He's mowing that golden grass if there is any. God bless you all and love ya as well.
