“ We have so many that it's hard to just pick one. We had so many fun times just riding around listening to the radio or hanging out at our house with all the kids. I loved listening to Kenny and Trevor talk about their younger wild days with cars and fishing. Trevor was like an Uncle to our 4 kids and Kayla, is always considered as one of our own.

I think one of the funniest memories that I have was when Kenny's Mom asked them to move a TV in her house and when they were done the 3 of us were off and Trevor said "Get in the truck B.....(bad word)" and I thought he was talking to me when in fact he was talking to Kenny which made it even funnier. That seemed to be the saying whenever we all got together to go anywhere from that point on.
